La placca FLEXI' si adatta ad ogni ambiente con la sua linea elegante e moderna. Tramite i suoi diversi anelli adattatori può essere applicata al posto di molte serie esistenti, per dare un tocco di classe al vostro arredamento. Sono disponibili gli anelli per l'utilizzo sulla serie Life e Flat di FEB e sui prodotti compatibili di altri produttori.

The FLEXI' cover plate goes with every environment, with its modern and elegant line. By its adapter rings, it can be used in place of many existing series, to give a touch of class to your furnishing. The adapter rings are available to be used with Life and Flat series by FEB and with the compatible products of other producers.

agganci **Magneto**

Le placche Flexi Natural in vero legno utilizzano gli esclusivi agganci **MAGNETO**, che consentono un solido aggancio con la massima semplicità. Grazie agli speciali magneti brevettati, sarà sufficiente rimuovere la vecchia placca e avvicinare la nuova placca Flexi alla sua nuova sede, per agganciarla istantaneamente, realizzando un autocentraggio perfetto.

LRW - Wengè / Wengè

Magneto fasteners

The covers Flexi Natural, made in true wood, use the exclusive **MAGNETO** fasteners that link firmly, with greatest simplicity. Thanks to the special patented magnets, it will be enough to take off the old cover and to draw up the new Flexi cover near to its seat. It will be instantly linked, with perfect self-centering.
