

FEB MATT ELITE

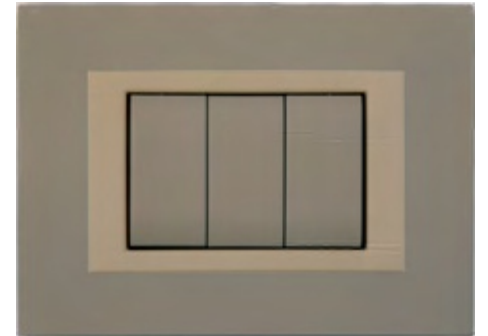

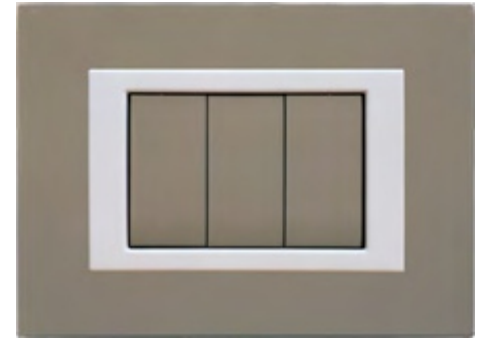

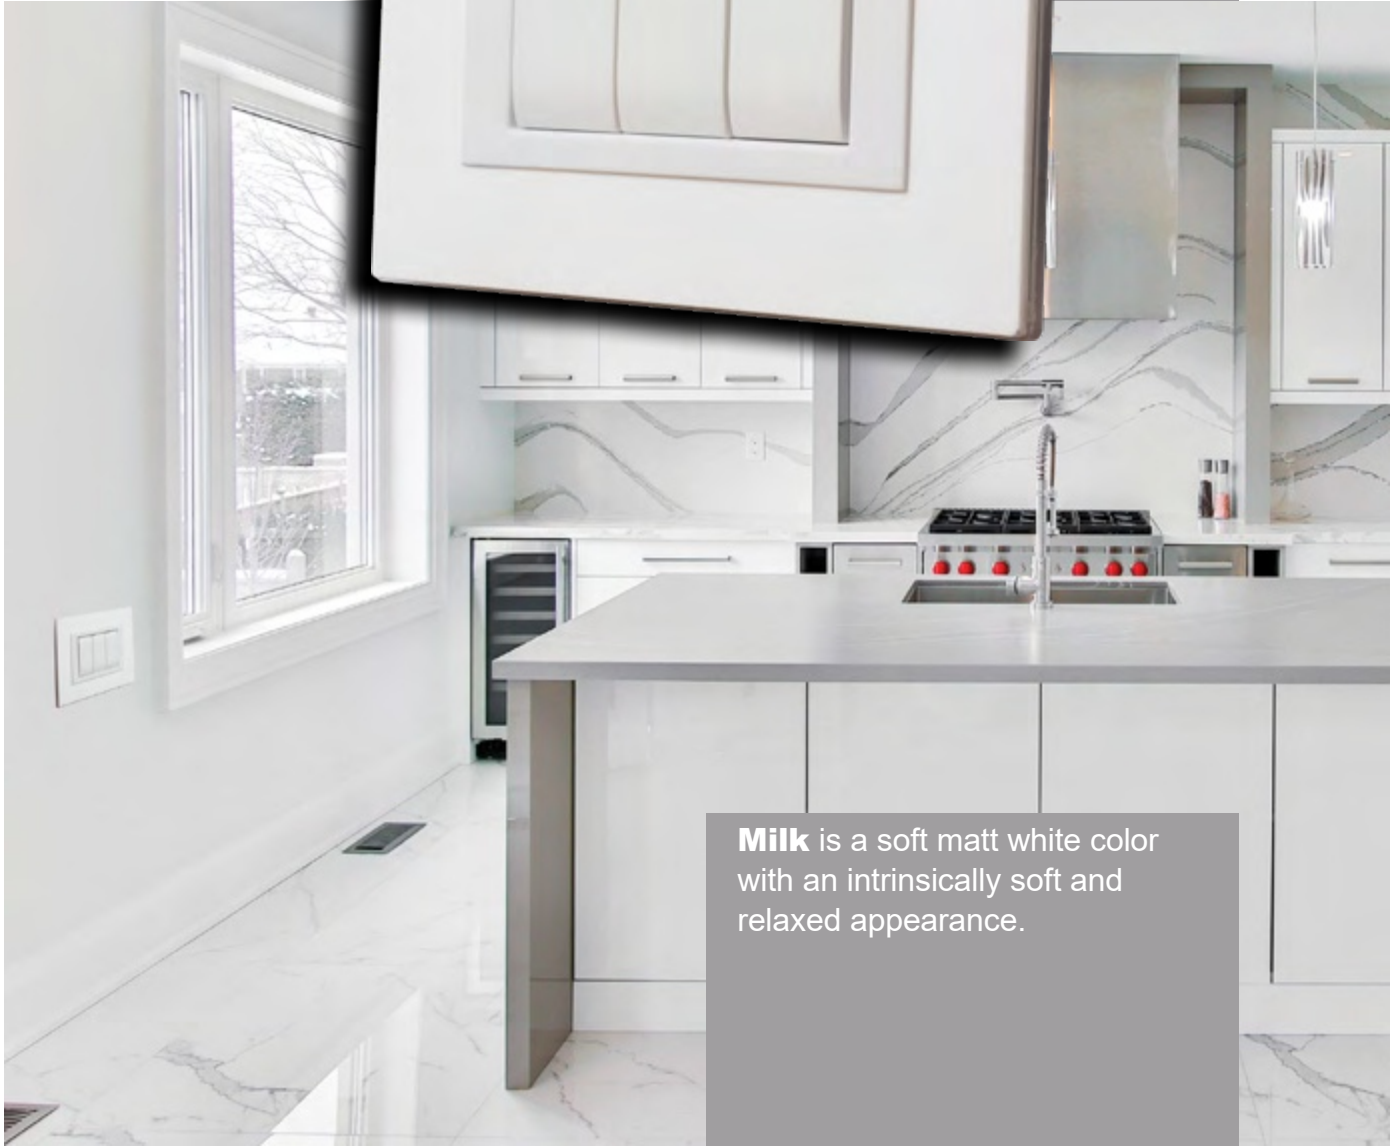

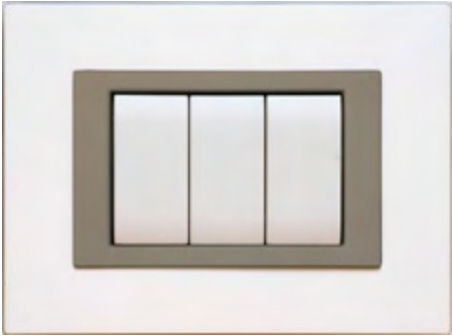

MATT ELITE

Avana - Havana

Havana is a lighter than tan color that can complement any informal or modern environment, with its relaxed, nonchalant vibes.

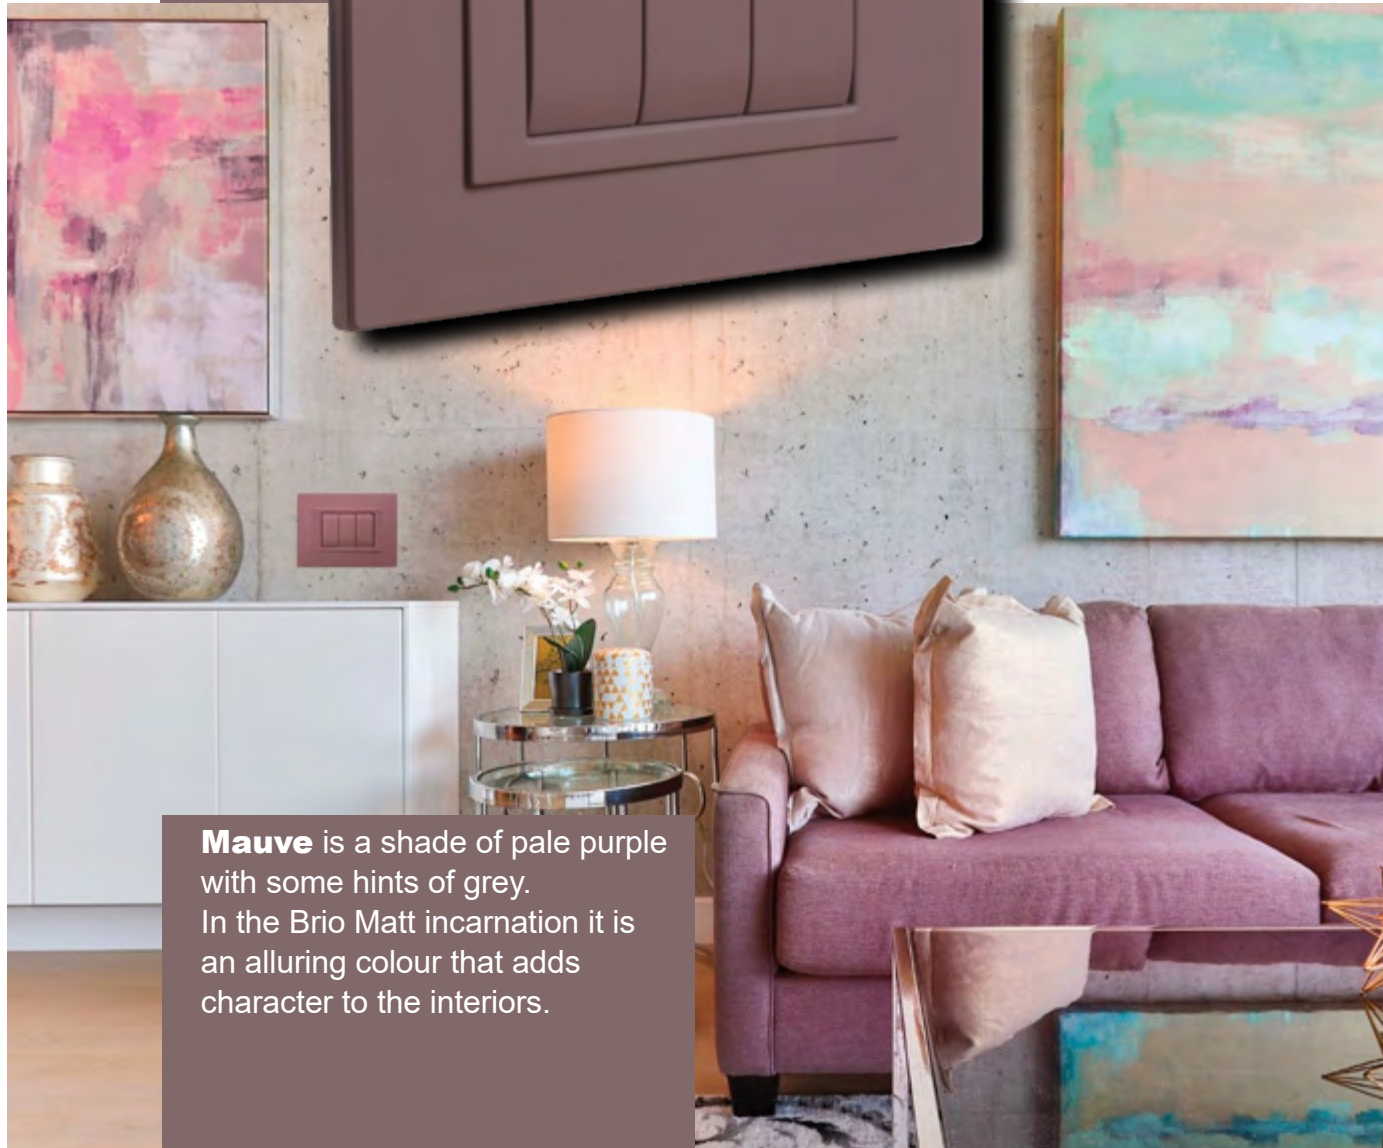

Milk is a soft matt white color with an intrinsically soft and relaxed appearance.

MATT ELITE

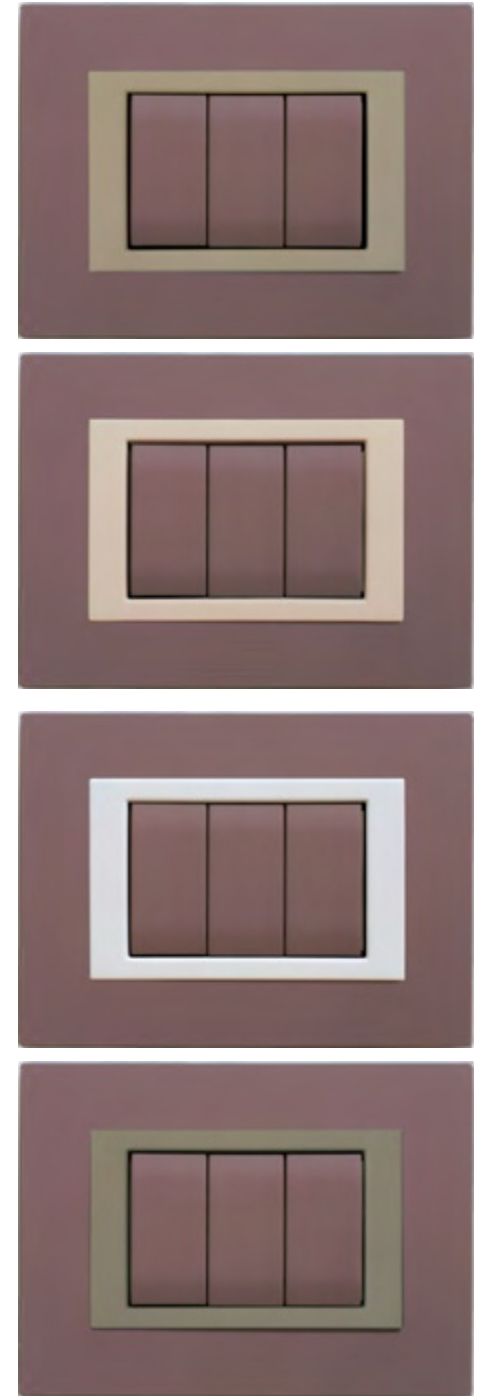

Latte - Milk

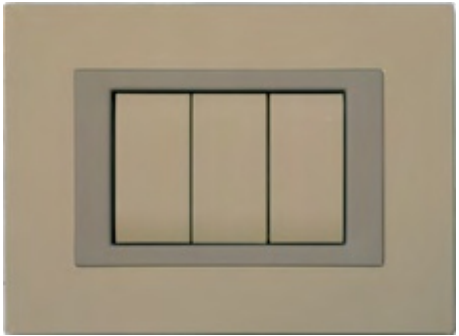

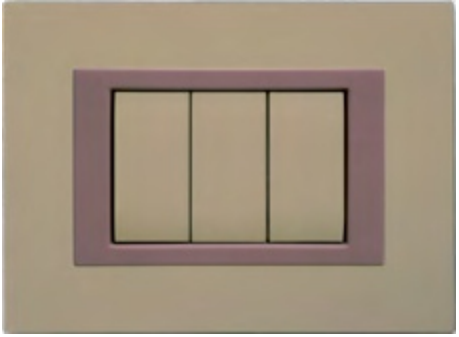

MATT ELITE

Malva - Mauve

Mauve is a shade of pale purple with some hints of grey. In the Brio Matt incarnation it is an alluring colour that adds character to the interiors.

Khaki is appreciated for its earthy, robust tones, and is very versatile. A Brio Matt Khaki cover plate has the ability to harmonise all other elements of a room design

MATT ELITE

Kaki - Khaki

MATT ELITE

Sabbia - Sand

Sand is a Matt color with luminous, versatile and elegant tones, striking a balance between light and warmth. When used for interior design it creates a refreshing and very natural environment.

È possibile abbinare anche gli anelli della serie Elite colori nero, bianco, cromo e oro,

It is also possible to combine the rings of the Elite series in black, white, chrome and gold

Le combinazioni esposte, con anelli e frutti di colore diverso tra loro, sono esempi visivi, ma occorre comprare in aggiunta e a parte gli anelli voluti.

The combinations shown, with rings and devices of different colors, are visual examples, but it is necessary to buy in addition and separately the desired rings.
